General cleaning

Superqual

Super concentrated spray-on, wipe-off, heavy-duty general-purpose detergent.

- walls
- floors
- furniture
- fittings
- bathtubs
- basins
- vinyl
- plastic
- melamine

Qualchem 85

A concentrated, general purpose degreaser.

- kitchens & bathrooms
- housekeeping
- floors & carpets
- workshops
- stained linen
- jewellery
- wax from furniture

Aerosolve

Spray-on, wipe-off general-purpose cleaner. Economical to use.

- walls
- floors
- furniture
- bathrooms
- 100% biodegradable

Superdet Lavender

General-purpose detergent with pleasant lavender fragrance.

- walls
- floors
- furniture
- fittings
- bathtubs
- basins
- vinyl
- plastic
- melamine

Superkleen

A highly effective stain remover for carpets, upholstery and laundry.

- non-toxic
- non-corrosive
- safe on colours

Q2 Blue

A blue, all-purpose powder for manual washing. Contains coconut oil for skin protection.

- laundry
- crockery
- glassware
- pans
- food service equipment
- floors

Superdet GC

Effective, economical, biodegradable glass and mirror cleaner. Spray-on, wipe-off.

Drain Cleaner

A powerful blend of selected organic solvents, alkali and grease cutting surfactants.

Brass Protector

A unique product that coats brass after polishing to prolong the shine and prevent dust from settling. Use on window latches, doorknobs, decorative pots, decorative brassware and brass railings or banisters.

Housekeeping

Dishwashing

Super Tergio

Top-of-range concentrated, all-purpose liquid detergent.

- dishwashing
- pots & pans
- furniture & fittings
- kitchen surfaces
- motor vehicles

Qualdet 77

An effective, mid-range liquid detergent which is safe on most surfaces.

- dishwashing
- pots & pans
- furniture & fittings
- kitchen surfaces
- motor vehicles

Flash

Concentrated dishwashing liquid. One litre of Flash makes up to four litres of light-duty dishwashing liquid.

- non-toxic
- non-corrosive
- safe on hands

Freshening

Superdet AF

A concentrated water soluble air-freshener spray available in several fragrances. Contains no harmful hydrocarbons. One litre makes six litres spray freshener.

Qualblox

A quality deodorant and air-freshener block.

- rest rooms
- urinals
- offices
- cupboards
- linen cupboards
- motor vehicles

Flash D

An economical, standard light-duty dishwashing liquid and general-purpose cleaner.

- non-toxic
- non-corrosive
- safe on hands

Bathrooms

Qualbowl

Powerful, four-way liquid toilet bowl and urinal cleaner.

- cleans
- disinfects
- removes stains
- deodorises
- safe for septic tanks

Qualgel

A fortified pine-scented gel cleaner that deodorises and is safe for use on all surfaces.

- woodwork
- painted surfaces
- stoves & ovens
- bathtubs
- toilets
- floors

Quallex Pearl

A viscous, luxurious liquid toilette soap with a delicate floral fragrance. Ideal for most types of liquid soap dispensers.

Disinfecting

Quallex GS

A viscous, clear-green liquid hand soap with excellent germicidal properties. Ideal for most types of liquid soap dispensers.

- workshops
- offices
- factories
- hospitals
- canteens

Qualdet 10

A powerful, smooth, rich, creamy, ammoniated pine cleaner that shines as it powers out dirt without scratching.

- stoves
- tabletops
- plastic
- melamine
- baths
- tiles

Superdet HA

A powerful, smooth, rich, creamy, ammoniated cleaner that shines as it powers out dirt without scratching.

- stoves
- tabletops
- plastic
- melamine
- baths
- tiles

Qualamine BC

A broad-spectrum disinfectant with no product odour. Ideal for food preparation environments.

- cold rooms
- freezers
- fridges
- ice cream machines
- kitchens
- bakeries

Qualamine DX Qualamine PE

Broad-spectrum disinfectants with fresh floral (DX) or pine (PE) fragrances. Ideal for hotels and schools.

- walls and floors
- bathrooms and urinals
- economical and safe
- biodegradable

Deodouriser

Super-concentrated disinfectant and deodouriser. Contains blend of quaternary ammonium compounds.

- refuse handling areas
- offal plants

Furniture Polishing

Qualgo Furnishine

A high-quality water based furniture polish that protects, has a long lasting shine and does not leave a waxy buildup.

Superdet DPS

A broad-spectrum disinfectant with pine & eucalyptus fragrance. Used for cleaning, disinfecting and removing mold and mildew from any surface.

- deodorises
- economical and safe
- biodegradable

Black Dip

A powerful black bacteriostat which contains organic solvents, alkali and grease cutting detergents. Used for sanitising external facilities where odour can be a problem (e.g. drains, refuse areas, alleys). Useful in certain institutional ablation areas where strong product odour is not a problem.
